Door sizes and prices

Swing door

Invisible-door offers 3 standard sizes for the door. Sizes refers to net opening width. Maximum overall sizes on the outer side of the frame (cavity wall needed) are +10 cm in width and + 5 cm in height, compared with the door sizes that define the opening width. Ex: if you choose a door with a 80 x 210 opening, the maximum overall sizes of the frame will be 90 x 215 cm. (see technical sheets).

Standard sizes

- 60 x 210 cm
- 70 x 210 cm
